“ Terry was such a good guy and hardworker. During my time on the help desk if we needed anything we could page him out he was right on it. I never worried once because I knew he would get it done. Terry will be greatly missed. Prayers for all his family.

“ Terry was one great guy! He was very serious about his job but did find times to cut up! One of my funniest memories of him was he refused to go to Jewelry Warehouse anymore to service their printers-as he said "They always had to strip search him" He was a very awesome person and he will be missed!

“ My heartfelt thoughts and prayers go to Mary Ann and the rest of Terrys family, especially Gavin. I know how special you were to Terry. I know you'll miss him and look forward to seeing him again in the paradise as we all do. Do all you can to help Mary Ann get through these really tough days. I wish I could be there with you Mary Ann, but as you are aware, it would be hard to get away at this time. I do however look forward to seeing you hopefully in the very near future. I love you dearly my friend!.
