“ *Tommie was my best friend at Lincoln School in the 4th and 5th grade. We had some good times together. Bicycles, marbles and hopscotch and his big smile all come to mind when I think of him. We moved out of town after the 5th grade and I never saw him again but I'll remember him forever. My thoughts and sympathy go out to you in this time of sorrow..*

“ *Janice, My VERY sincere sympathy. Always felt like I knew Tom better than some of the class of '54. Rogers then Rosenberger -- I always sat behind him in the alphabetical list.*  
*Especially remember all of the FUN in Mr. DeWitt's journalism class. God bless and give you peace. Love, Martha*

“ I met Tom and Janice about 6 years ago while exercising. Tom always had a smile on his face for everyone. My favorite of Tom's phrases was "Hey girl". He will truly be missed but remembered.
