

Thomas Vincent Ross

May 11, 1957 - June 18, 2017

Thomas Vincent Ross, 60 passed away Sunday, June 18, 2017 at Jane Phillips Medical Center.

Thomas was born May 11, 1957 to parents Marion and Maureen (Tanner) Ross in Bartlesville, Oklahoma.

Tom was 6'7" of pure grit. He always made sure he worked harder than anyone else regardless of what he was doing. There was no one better at framing houses than Tom Ross. His natural artistic abilities would shine through his craftsmanship in unique recognizable features. He received this gift naturally apprenticing his entire life under the master carpenter, his father, Marion Ross. Marion was proud to pass his carpentry skills to his only son, skills he learned as a young boy in Amarillo, Texas. Tom was a kind, generous man with a heart of gold. No matter what material item he had, if you needed it- it was yours. Nothing would melt big Tom's heart faster than a kitten or puppy with puppy breath.

The very best of Tom can be found in his awesome daughter Peggy. An Engineering student at OSU, she has always known what she wanted to be in life. Fiercely independent like her father, she has tremendous understanding and tolerance for life in general. Peggy will be successful at everything she does.

Life will not be the same without Tom here on Earth.

Tom is survived by his daughter Peggy Ross of Bartlesville; his father Marion Ross of Bartlesville; sisters Pamala Zora and husband Russ of Bartlesville,

Debbie Mouse and husband John of Tahlequah and Jan Foran and husband Randy of St. Petersburg, Florida.

Tom was preceded in death by his mother Maureen and his sister Peggy Trammel.

A celebration of life reception will be held Thursday, June 22, 2017 from 4:00 pm to 6:00 pm at the home of Pamala Zora. Pam's address is 1608 S. Johnstone Ave in Bartlesville, Oklahoma.
