“ *So sorry to hear of Tom's passing. We both work with Tom at Reda and thought very highly of him.*

“ *I was notified of Tom's passing, and I want to pass on my sincere condolences to his family. I graduated with Tom in 1960. Although we didn't run around together in high school, I do recall that he was a 'good guy' back then. I think we had a couple of classes together. We did exchange greetings whenever we ran into each other. I can only encourage you to read ACTS 24:15, John 5:28-29 and REV 20:4. Hopefully those scriptures will give you some comfort during your time of grief. Again, I'm very sorry to hear of your great loss. Time will ease the pain, and his memory will remain strong in your heart.*

“ *My prayers are with Tom's family. Tom and I played together as children until I left town when he was about 17. We used to enjoy hiking about a mile below the dam at Hula to fish all night. Sometimes we would hunt frogs or snakes. There is not room here for all the memories I have of Tom. I'm sorry we lost contact. He will be missed.*

“ *Prayers to each member of the family and may God give you comfort and peace. Our family lived across the street from the Shaw family on Margarite and we kids would hang out together. So many wonderful and fun memories.*
