“ My dad was loved by so many, and he is missed so very much. To those who knew him he went by Bennett, and everyone can tell you why he got that name not only was it his last name, but he would always say my name is "Bennett and I aint in it" the last memory I had with my dad was bittersweet. I got to feed him pudding and got a chance to tell him I loved him. He was just as rough and rowdy that day as he always was known to be. As a child I always prayed that I would never have to feel what I feel now! losing my dad was the hardest thing I have ever had to go through. My life has had many ups and downs since his passing but what thing I cannot stop thinking about is his smile and the way he just loved to be around his friends and family! My dad loved all his grandkids they all called him Papa Bennett. He will never be forgotten. His name will always live on and i will make sure of that. My dad was cremated and some of his ashes were spread in areas that he loved to be! If you're reading this and knew my dad, please leave a memory for all of us to remember him by he deserves that! My dad had so much life left to live, and God wanted him more I still have to learn to live with that and so does everyone else! One thing I do pray about every night is that he will visit each and every one of us in our dreams! I just want to know he's okay and he's happy! I love you dad.

*Much Love
His oldest daughter*
