“ I cannot think of many memories from my growing up in Sabetha that Todd was not a big part of. Football, wrestling, being ornery kids he was right there. Lots of laughs, adventures, good and bad times. Todd was always up to debate sports and politics. I will miss his commentary...Rest in Peace Weak Beak.

Todd reached out to others, was loyal, and gave his support when he saw something he liked. I know this through his kind words and deeds, not to mention his support for me. My thoughts and prayers for the family. Randy McFall
