*Carolyn,
You have my heart felt sympathy at the passing of Tommy.*

We pray for God's Peace, Grace and Mercy for you in this hour.

Bob Veit sent me a note that he had heard it on the Bartlesville Radio. I will let him know that he was indeed your husband.

Thank you Bill. I have been reading bible verses. It soothes me. God is good and will provide. Tommy was a Baptist and was baptized. He believed in God. He did Christian things for many people. God is merciful. God loves us. Jesus saved us when he died on the cross. He saved us. I believe Tommy went to talk to God. I believe he will be with his family and loved ones in heaven. Matthew has been helping me. Give me a call at 918-273-8063. It is so good to hear from you. I think about you and your wife. I hope you are alright.
