“ *Tommye and I worked together at Dr. Pribil's office in the early 90's. We had a lot of fun. She helped out with a wedding shower for me. She was a very good nurse, and a great friend. My mother passed away about one hour before her on Tuesday. I am sure they enjoyed the welcome home together.*

“ To Timmye and Kelley: You guys had the best mom. She was kind, practical, easy-going, unpretentious and quick to laugh. She seemed like a hardy and hearty soul, and I am so sad that she has passed on. But I believe she leaves to mourn two kids and a bunch of grandkids just like her, so I will think of her every time I think of you.
