“ *She has been an important beacon of hope as our family has grown. I see glimpses of her in my children and some of our favorite pictures have been able to capture her smiling with them. Her good stories and positive advice will continue to be retold and her legacy of strength will not fade away.*

“ I worked with Val for many years, she was a kind,caring strong person. We had run into each other several times and visited. I had not seen her for a while and was so sorry to rad this in the paper.

Peace my friend. Sincere sympathy to her family on your loss.
