“ *Ronnie and Sherry, I have been trying to find a phone number for your mom since moving back to OK. I am so very sorry to now hear of her death. She was a dear, kind person and friend who did so much for me. I had hoped to reconnect with her even if just to talk about the past. Sending my deepest sympathy to you both, Gerre (Smith) Schwert.*

“ *Ronnie, i hope you know how i felt about your mom. She couldn't have been nicer and kinder to a scraggly blonde headed kid that would invade her peace(along with her son of course)to scream and run around in her backyard almost everyday after school.Heaven gained an exceptional woman.*
