“ *Always enjoyed visiting Uncle Gene and V.R. when I was little. Later, Wendy and I enjoyed meeting up with them occasionally at the racetrack to watch the horses. Prayers are with you Loetta and Ray! -Matt & Wendy Cox*

“ Aunt Velma Rae, known to us also as V.R., was a great aunt and friend. I remember as kids we would go visit Uncle Gene and V.R. and when we all went to bed, my mom, Loetta, and V.R. would be up all night visiting and catching up. No matter, the next day V.R. would cook and entertain us kids. It was always a great time going to visit Uncle Gene, Aunt Velma Rae, Blue Gene and Loetta. These memories will live forever and will always but a smile on my face. As I grew up and became an adult, it was still such a wonderful time to see my Morton relatives. I love you Loetta and Ray and hope you will never hesitate to call me to visit, relive memories and get together when we can!
