“ I knew Vernon for 21 years. He was one of the greatest mechanics and draftsman I ever knew. He loved the great outdoors for sure and loved helping others. It was an honor knowing him and his family, they are all such caring and inspirational people. Vernon was a devout believer in Christ and he truly hid God’s word deep in his heart. He was never ashamed of the gospel of Jesus and he was very open with his faith as well. I can say without hesitation that he was an inspiration to me and my family. I was honored to be his pastor for several years. He always encouraged me and treated my whole family as his own. God bless you Vernon as you make your everlasting home in heaven. We all love you and will miss you, but we know you’re finally in the place you were destined to be.

“ Vernon loved adventure and was always up for a challenge. He was an excellent draftsman, engineer, and inventor. The companies he worked for have most of those but he invented whatever he needed and if he couldn't find a part, he made it too. He had a great sense of humor. I'm grateful my husband & I got to make many trips to the CO mountains and ride motorcycles on long and short trips together. We had a lot of fun times and prayer times, special times. He was a patient teacher, even when he taught my younger brother and I to drive, but he was also an avid student when it came to the Word of God. He had many words of wisdom that I will always remember. Vernon was a good singer too; no one did Johnny Horton's songs better! I'm very proud of all his awards and accomplishments. I'm proudest of his service to our America in the US Airforce. I will miss that smile of his and his laughter!
Go Ride high, Big Brother! I will meet you there or in the air!

“ *Vernon was a wonderful man and I enjoyed our long discussions on Sniper rifles, gunsmithing, and loading our own ammo. We discussed politics and held the same views. He loved our Lord and he shared that spirituality with everyone. Please keep my Meme and our Family in your prayers. I will miss him.*
