“ *Aunt Roni was a very special person whom I loved very much and she will be sorely missed. She was a person who I could talk to with ease and we shared many "secrets" and good times. We had a unique bond as Godmother and Godchild and we only wish that we spent more time together. Joe and I had many happy and memorable moments with Aunti Ron and we will cherish them always.*

I know that she is now in a very happy place enjoying her time with Uncle Jimmy. May God Bless her and keep her close to His heart always.

*Lots of Love,
Donna and Joe*
