I'm so sorry that I wasn't. I'm so glad that I came to visit you and it was good to catch up on some past memories with you. I love that your obit said that you were a hard worker because you were! One of the best buddy. Someone I could always count on and I always appreciated your work ethic. God speed and God bless my friend. Say hi to your Mom for me please.* ”

*Friends and Family will gather at the Osage Hills Stone pavilion on Saturday October 19th at 1:00pm. Any and all family and friends are welcome to attend.*

*Victor loved nature and going on long walks. Osage Hills was one of his favorite places as a child as his parents would take the family camping there often and as an adult he would go just to enjoy the outdoors and be reminded of his childhood. So this is the perfect place to gather to remember him and keep his memory alive as we enjoy a nature walk, food and a fire where we share our favorite stories and enjoy other's stories an about Victor over the years.*

*\*Bring a comfortable chair so we can sit around sharing our favorite memories*

“ *I am so glad we were able to travel together to see NC and Myrtle Beach. You got to put your feet in the sand swim in the ocean and collect seashells and shark's teeth. That's memories. I will hang on forever, Victor I will always have you in my heart and mind and know that we love you forever and ever.*
