“ Jenny I was so very sorry to hear of the loss of your mother. There is an old Irish saying that says: While death leaves a heartache that no one can heal, love leaves memory that no one can steal... Mothers may hold their children's hand for a short time, but they hold their hearts forever. May God bless and keep you and your family in his hands at your time of loss.

“ We were so close as children. As children I would visit the family in Kansas and spend the night and it was so much fun, we would sleep 5 to a bed . Irene and I would usually be in the middle and just laugh and talk. Such good childhood memories. look forward to seeing her again.
