“ *Dennis, Donna, Steve and Linda, Your Mom was a very special lady loved by many. We always had a lot to visit about when we saw each other. We ran into each other quite a bit and could talk an hour or more and still have more to talk about!! I don't know who talked more her or me. LOL*

*She will be missed by many. You are all in my thoughts and prayers.

“ Virginia has been much more to me than I'll be able to say. She treated me as well as her own children and her devotion and kindness to me was second nature to her. She was mentor, confidante, a second mother to me and I will so miss her. We worked together laughed together, and cried together. She was a true friend and my life is better for having her in it. I owe her so much. Rest in Peace Virginia.
