Virginia Marie Widener, a beloved mother, grandmother, sister, aunt and friend, went to be with Jesus on August 6, 2025, in her hometown of Bartlesville, Oklahoma. She was born on December 7, 1954, to Glen and Lenora Currin, and spent her life embodying the values of love, generosity, and selflessness that she learned from her parents.

On November 16, 1984, Marie married the love of her life, Austin Widener, in Bartlesville. Together, they built a life filled with laughter, love, and countless cherished memories. They spent many years fishing, bowling and traveling together. They shared a love of Christmas and spoiling their grandkids. Marie was preceded in death by Austin, but his spirit remained a guiding light in her life.

Marie graduated from ORU and immediately started working in the oilfield industry in Bartlesville. She worked alongside Austin for 30 years for several companies, including Applied Automation, Siemens, and ABB. Through her work, she touched the lives of many and created countless friendships that meant the world to her.

She was the best mama to Kevin and Amy, as well as the best mema/grandma to her grandsons Matthew, Andrew, William, Levi, and Benjamin who carry on her legacy of kindness and laughter. Marie was not just a mom; she

was a best friend, a confidant, and a source of unwavering support for her children. She loved her grandchildren fiercely and she delighted in being with them and creating wonderful memories. She was the best sleepover manager, Christmas hot cocoa maker, and did her best to never miss a special moment in their lives.

Marie was preceded in death by her husband Austin, mother Lenora, father Glen, two brothers Meredith and Louis, three sisters Shirley, Marilyn and Alta, and one grandson, Jesse. “ *Amy and Kevin,*

I am so sorry to hear about Marie. I lived in Kansas for a time, but I worked for applied automation and Marie became my best friend there. She also lived just down the road from my daughter Sandy. I got to see her one time when I came back there. I don't travel anymore because I've been diagnosed with a lung disease and it makes it extra hard for me to walk. I am also on oxygen 24/7.

You have my sincere condolences and I feel so sad that this happened

“ To the memory of my dear Aunt Marie, our families "Aunt ReeRee", you have been the light of our lives and for me, my best supporter, protector, and co-conspirator. Your passion for others, for family and for doing the right thing has always been an inspiration and in times of our needs have always given all you have. While you will be deeply missed in this life, I know your reunion with Austin, Grandma and Grandpa, my Mom, and other family members will be full and rewarding. I will love you forever and will continue living the values and sharing the laughter and memories you shared with us in this life. Until we meet again... Michael
