“ Pat (& Family),

We will truly miss Butch and will hold fast to the promise of our meeting again someday.

Our short, but fun, fishing outings and gun shooting times were always an enjoyable get-away. Jade, our granddaughter, still recalls the fish she caught as Butch took us from pond to pond in order to allow her to catch a fish. Butch was not about to give up, and ultimately she not only caught one but snagged several.

As I write this I can only imagine that he is sitting on the shore enjoying all God's grandeur.

Thank you for the wonderful times and we shall look forward to more with you.
