“ *One time Wanda and I went on a trip to my home town Coffeyville Ks. Boy was it a surprise to her she was blind folded all the way. Lots of fun. Several times at work she would get upset with me and say now Shanya don't be sweeping my feet because that means I won't ever get married again. I just said I'm sorry I'm sorry but she was so serious. Miss ya lady. Rip until we meet again.*
