“ So many great memories, the post could go on for days. From the many wonderful holidays where there was more food than you could even imagine and you felt special when you didn't have to sit at the kids table(fold up tables) to the main adult table because there were so many of us there to taking the drive through Woolaroc and getting to see the animals. She was a wonderful woman and the best grandma a kid could have. She always lent a helping hand if you needed anything and oh man, who could forget when she took us to the duck park to feed the ducks! She will be truly missed but never forgotten. Love you grandma!
