“ *Wassalee was one of the "Timberhill Gals" whom I always thought was so pretty. She was enough older than Me that I don't have a lot of personal memories, but She has always been one of those that I remember fondly and always admired. My sincere Sympathy to all Her Family. I'm especially thinking of Ruby today. It must be extremely hard to have a child die.*

I knew her when she was the only child Earnest and Ruby had so its been a long time. My wife and I had a lot of visits with her in our younger years before moving away in business We thought of her often And we are thinking of her this week plus her Mom and all the rest of the family. Good Memories.
