“ Although Skip, his family and my family haven't been apart of each others lives lately, I grew up and my children grew up next door to their family. There would be few days that we didn't see them in all those years. It was a time filled with great memories. My prayers are with you Phyllis, Laural and Phillip.

“ Skip exterminated my house the last 3 years. I didn't know him well but he was very kind & did a great job. The last time was just a couple of months ago. I'm so sorry to his family for your loss.
