“ Used to bowhunt on Wesley's property many years ago. Just did a Google search for Wesley & came across this. Although very late I'm sorry to hear of his passing. We always had a good time together when I was up there hunting. I have thought of him often & will continue to do so. He was a great guy. Wish I would have stayed in contact with him.

“ Brad and Kevin,
We are so sorry to hear about your Dad's passing. We have really good memories of your family and ours back in the old days with Layton Oil. God bless you both.
