“ Mel mootz. Well to start Bill and Beverly mean everything to me. I met Bill when I moved to Oklahoma in 1981. He was a member of the Bartlesville Merchants softball team, where I also met lifetime friends, Cotton, Bryant and Pickle. Bill said. He met a young lady, and told me he wanted to marry her and asked me what I thought. I said you better not mess this up. Bill and Beverly took me and Big Red Darrell Reese in their home and fed us whenever we wanted. I know Bill will always be by my side. Your friend. Mel mootz

“ I first met Bill in nineteen seventy nine when I went to work at Reda Pump And Bill was already working there. That's when we found out we were neighbors and didn't know it. That was the beginning of a wonderful friendship and many years of laughs together. We were both very competitive we would play each other in tennis, basketball, poker games, and pool. Bill was the champion in basketball and I was the champion in pool. In the pool hall Bill was known as the Texas Stork because of his height and knowledge of everything Dallas Cowboys. Rest in peace my forever Friend.
