“ My Great uncle Bill was a wonderful, kind, and loving person. He was always there for me when I was little. I remember when my brother and my uncle would make visits to Oklahoma to see Bill and Ardene. He will be truly missed, but now I have an amazing guardian angel looking over me.

“ All of you are in my thoughts and prayers during this sad time. Bill has always been considered a part of my family since he moved to Ogden as a child and my Grandma Ruth became his godmother. I appreciate so much the time he spent with Mom before she died; she truly cherished the time she had with him remembering the good old days. She loved him as a brother and he teased her like a sister! Remember the good times you shared with Bill and know that he is at peace surrounded by those who love him.
