

William "Mike" Michael Grim

September 22, 1952 - February 6, 2023

William Michael Grim (1951-2023) was born in Tulsa, Oklahoma, graduated from Collinsville High School and retired from American Airlines. He grew up traveling extensively across the U.S. as a pipeliner's son. His wanderlust and connection to nature spurred his desire to hunt and fish along the Caney River as a young boy and later to venture to the mountains of Montana and the deserts of Arizona. He was also a certified Miner, finding joy in his discoveries. Weekly, he and his beloved dog Harley could be found at the Copan Truck stop for eats and conversation.

Mike is now on the greatest journey of his life into the wild beyond with his dog Harley still with him.

He is survived by his friend Marie Wintermater, children William Michael Grim, Tyler Dean Grim, and Laura Rae. There are three grandchildren. Also surviving is a sister Katherine Grim St. John of Kansas and her son.

“ *Mike and (Harley, his dog) enjoyed being in the outdoors especially travelling across the country in his truck pulling his travel trailer. He drove to Zortman, Montana to do some fishing and prospecting for gold for several months out of the year. (He was quite the prospector and enjoyed it tremendously). Mike would end up in Atchison, Kansas; a small town, and home of Amelia Earhart, the 1st woman to fly around the world. Mike would park at Warnock Lake for a couple of weeks to visit his sister Katherine and friends. Mike was a nice guy and would do anything for you; all you had to do was ask! Rest in peace Mike, prospect, fish, and play with Harley to your hearts content! In Christ. Pam Weishaar*

“ *It has been almost months since you and Harley died . Not a day goes by that I don't think of you .. always thought I would see you again . For any of you reading this I might suggest a song by Vince Gill "GO REST HIGH ON THAT MOUNTAIN" .*
