“ *It might seem strange but the one memory that sticks with me is when you guys were living and working in santa clara, ca. in the mid 1960's. I remember Lloyd trying to light a cigarette while he was riding his motorcycle. Funniest thing to see. Such a good ole boy. Sorry he's gone.
Love Always,

Dear Sue and family. I am so sorry for your loss. Loyd was a kind soul. All the years that the girls and I lived across the street I always knew Loyd would help if we ever needed something. My girls and I are here if you need anything. Love you all. Pam Meyer, Kourtnee Johnson and Kadee Crawford.

“ Sue and Children,
I know your heart has a hole in it and losing someone is so hard. Loyd was a very hard worker and his craftsmanship was known to all. He kept you laughing when you were sad. A beautiful life you had together and he was loved by all that knew him and yes you kept him in line. I know many stories about the two of you but the two of you had beautiful smart children. R.I.P. Loyd the Lord needed you.
Much love to you
