“ In Sherman's short life span, he made many friends and touched many lives. He was always ready to help anyone who needed it. So many of his family are hurting and I just pray that they have peace in their heart. Grandma Cora, Liz, Reta and Susan (I know you all best) I send my love and prayers. Cynthia and Scott, I cant imagine the pain of losing a child but I will continue with prayers. Even though Sherman is gone physically, he will live on in those precious twins. They are his legacy.
