“ *Boys,
My parents were Jewell and Mary Frances and were "train buddies"
with your parents. Bill was the person who got my dad involved in
trains (even tho' he had the love already.) I came to know Bill as a
wonderful person. Bill bought my dad's collection (except for a few
pieces that I have)after his passing. I'll always remember Bill and
Emogene fondly. Prayers to you and the rest of the family.*

“ *Just read a notice in the paper.
So sorry for your loss. I know how your felling I lost Dad 4 years
ago.*

“ Your Dad and Mom were very special to me and I am very happy that they have been reunited in Heaven - sad to miss their presence on earth but know they are happy and at peace - no more pain! There were three "COX" families (none of us related except as brothers and sisters in the Lord) in our small Church and I now am the last as Joe and Elois and your parents are now dancing and singing in Heaven - can't wait to join them!!! While we remain in this world know that all the family is remembered in my prayers - God bless all.

Hugs, Dianne Cox

“ Bill was one of the sweetest natured men I have ever met. I will miss seeing him and talking with him at our family gatherings. He and Uncle Ray and I had some wonderful conversations. But more than anything I will miss his warm smile.

Bill I look forward to seeing you again before the throne of God.
