“ *Bill, was a true friend. We have known him for over 30 years. He was always generous and giving. Would do anything to help a friend in need. We will truly miss his friendship. Our prayers go out to the family and will keep Bills memory in our hearts.*

“ *I am a coworker of Bill's from the Little Rock office. I worked with him a lot over the phone but we had a chance to meet up in OKC just before Christmas 2012. At that meeting, he gave me a pair of warm gloves and a scarf - knowing that I had just moved to LR from Houston and might not be prepared for the colder winters. That really touched me and will always stick with me. I am very sorry for your loss but pray you receive an extra measure of God's comfort during this time and the difficult days ahead.*
