“ *Windell was a "one of a kind" personality. He always had that quick, easy smile and a disarmingly, charming manner. He will be missed, not only at his post in the funeral home, but in the community at-large. Sincerest condolences.*

“ I am going to miss my dear friend Windell terribly. I had known him for most of my life, and always enjoyed his laughter, his smile, and his jokes. My mom, Margaret, considered him one of her best friends--even when he was pulling pranks on her! Windell always seemed to have just the right thing to say to lift her up when she was fighting her own battle. God bless you, Windell, and my God's peace surround your family and co-workers during this difficult time.

“ I'm sorry for our loss of my friend and working partner of our company call the “Problem Solvers Construction Company. Windell sometimes called it the “Problem Causers Construction Company” usually after a few popsicles. Windell was a riot to work with, you never knew what to expect next, from firecrackers going off in the empty houses we were working on, to putting a half full 5 gallon Pail of paint at the bottom of my extension latter and waiting for me to come down the latter to put my foot in it. Believe me I learned a lot from Windell Stumpff and some of it good. I'm glad I had the pleasure to know and work with him. God bless the Stumpff family.
