“ *Linda and LaDonna, know that you are in my prayers. I must confess I didn't recognize your Mom's name but when I saw her picture, I saw your beautiful Mom and the first name, I knew. Sounds like she was leading a great life. I know that you will miss her so much. Dad has been gone for 23 years and around this time of year I really think of him a lot. Email me when you get a chance.*
