“ Winona was the kindest lady we ever met, Clyde and I both knew her for about 39 years, . If not longer and never heard her say anything bad about anyone. She was a rare find , a flawless jewel that can never be replaced. But one thing for sure, she was dearly loved by everyone. And her memory will be with us always because she is unforgettable. Remembering you always, Clyde & Betty Dittman

“ Our prayers of comfort are going up for the Clark family... Winona has received her home going healing...the Lord opened His arms wide and said "Well done my daughter your work here is done". He will give you peace in knowing that she no longer is in a battle... But now has a new and whole body.

May the Lord wipe your tears and replace with many memories of laughter and fun.

“ Winona...just thinking of her brings a smile to my face. We shared so many laughs & so many smiles over the years, both at our monthly birthday party dinners & at Dillard's. A gentleness of spirit & a kindness of heart...that's what I think of when I think of Winona. All my love & prayers to her family...Carol Bullard

“ This lady was such an inspiration to me and my family. She was the sweetest lady with the sweetest personality I have ever met. I will treasure our camping times with her and the annual Mother's Day Fish Fry's that we spent with her. She treated my family like her family. I came to love her dearly. Scott, Kelly, and family, treasure the memories and let her legacy live on through the young ones. Instill her values and morals in the generations coming up. She was the kind of person we can all look up too. My heart felt prayers are with you all.

“ *It was such a pleasure knowing this wonderful sassy lady. Christmas dinners at Hammett House just won't be the same without her She always seemed to leave with many packets of sugar and sweetners thanks to her grandson Bobby. He always managed to fill her purse with these without her knowing. It became a tradition. She is so blessed to have a loving family. Working along side Scott for years, vacationing with Kelly and Leah and daughter Kim who stayed with her til her passing. She was truly blessed and we are too for knowing her.*

“ I've known and loved Winona and called her "Mom" since my own mother passed away almost 20 years now. She loved me like a daughter and I will sorely miss her smile and sharing holidays with her. Leah, Winona and I had a lot of fun going to Santa Barbara to visit her sister Vicki in 2014. I have peace knowing her battle with cancer is over and she is whole again. Looking forward to seeing you one day again Mom.
