You were a wonderful man that always spoke highly about life and how much you loved your family. You brought light into my life when most days were dark. “ After years of knowing Zac, trying to recall one memory seems impossible. The thing I will remember most about Zac was the fact that he never let something small ruin a perfectly good day. He always made the best of any situation no matter what it might be, and he kept the people around him smiling as well. My thoughts and prayers are with his family as they navigate this devastating loss. Rest easy Zac, you will be tremendously missed.

“ Life always seems too short when the very best of this earth are called home early. Zac’s time here although brief left a lasting impression on everyone he met. You knew immediately he was someone special. He has been united with the circle of family praising our Heavenly Father. Zac as your Mother said we will not tell you goodbye but rather “ Hello “ when we join you soon in ‘the Sweet by and by.’

“ *What a beautiful, bright blessing Zac was to this world for way too short a time. I mostly knew Zac through his mom, Tanya. I pray that God will wrap the wonderful Horton family in love and healing. That the time will come sooner rather than later when the memories of all the times spent with Zac bring smiles, laughter, and love to lighten the heavy pain of his loss*
