“ *I worked with Zach and he was the last person I spoke with before I left work Friday evening. He was always so very helpful and polite and I knew he had a good heart. I feel very blessed to have been able to know him. My thoughts and prayers are with all of you and I pray God wraps his arms around you and gives you some comfort through this.*

Kelli, Thank you for your kind words and for praying for us. Zachary talked a lot about all the people he worked with, he loved getting to know all of you.

“ I remember when Zach would occasionally stop by Dillard's when I was working, either to say hello or to seek my advice for clothing in the men's department. He was a genuinely kind young man, with much depth and ambition in life, and he always had something to say when we had our conversations. He has been lost much too soon. It was a seemingly cruel irony that I learned of his passing the day after helping his brothers and sisters pick out clothing to attend the service. It is with a heavy heart that I know that he won't be around anymore. My sincerest condolences go out to the Mitchell family, and may Zach Rest In Peace.

Thank you for posting this and getting in touch with us. I couldn't remember your name, but Zachary talked about you a lot! He would tell me how much you helped him out and that he liked to go there just to talk to you! He had to dress in style and you helped him find just what he was looking for. Thank you for helping our family out that night as they shopped for clothes, it was a hard task for them to do and they were all very pleased with what they got.
